PART 1. RESEARCH ACTIVITIES AND PERFORMANCE IN 2015-2018

1.1 RESEARCH PROFILE

1.2 RESEARCH PERSONNEL AND MULTIDISCIPLINARY ACTIVITES AT UEF

List of Professors and Principal Investigators

Renewal of research personnel, new recruitments and doctoral education

Table 1: Number of personnel in various personnel groups in 2018 in the RC (number of international researchers are indicated in brackets).

	2018
Research personnel	
- Professors	
- Associate professors (tenure)	
- Senior researchers ^a	
- Post doc researchers ^b	
- Doctoral students	
Auxiliary personnel^c	
Personnel total	

^a Researchers who have carried out research for more than 5 years since doctoral graduation.

^b Researchers with post doc status or who have carried out research for less than 5 years since doctoral graduation.

^c e.g. Laboratory and technical assistants.

Table 2. Number of doctoral degrees conferred during 2015-2018 by the RC supervisors.

	2015	2016	2017	2018
Doctorates				
Doctorates conferred on international students				

1.3 OPERATIONAL CONDITIONS AND RESEARCH ENVIRONMENT

Research funding

Table 3. Total funding and research funding from various sources, amount of money spent during 2015-2018.

Source	2015	2016	2017	2018
Strategic funding of UEF^a				
National competitive research funding				
Academy of Finland				
Business Finland				
National enterprise funding				
Foundation funding				
Other national funding				
International competitive research funding				
EU research funding				
International enterprise funding				
Other international research funding				
Personal foundation funding^b				

^a UEF strategic funding instruments: e.g. UEF post doc positions, UEF strategic funding, bridge funding and PROFi funding.

^b Personal foundation funding that researchers have received personally directly from foundations (not in the accounting of the UEF)

Research infrastructure and facilities

1.4 SCIENTIFIC QUALITY AND EXCELLENCE

Publications

Table 4. Number of publications in 2015-2018.

	2015	2016	2017	2018
A Peer-reviewed scientific articles				
B Non-reviewed scientific articles				
C Scientific monographs				
D Professional publications				
E Publications for the general public				

Table 5. Number of scientific publications in Finnish Publication Forum groups (JUFO-groups)

	2015	2016	2017	2018
Level 3, top				
Level 2, leading				
Level 1, basic				

The classification of Finnish Publication Forum system is described at: <http://www.julkaisufoorumi.fi/en>

The most important publications in 2015-2018

Research projects

1.5 NATIONAL AND INTERNATIONAL COLLABORATION

National and international partners

Joint scientific publications involving national and/or international collaboration

Table 6. Number of joint scientific publications involving national and international collaboration in 2015-2018. Scientific publications in international refereed journals, compilation works, books and monographs

	2015	2016	2017	2018
International joint publications^a				
National joint publications^b				

^aAt least one of the authors and his/her affiliation must be with an international institution.

^bAt least one of the authors and his/her affiliation must be with a national institution.

National and international research projects

Table 7. Number of national and international collaborative projects during 2015-2018. Include only projects which have received external research funding and where at least one of the partners is a national or international institution.

National collaboration projects	2015-2018
UEF as the coordinator	
UEF as a partner	
International collaboration projects	2015-2018
UEF as the coordinator	
UEF as a partner	

1.6 IMPACT OF RESEARCH

PART 2. STRATEGIC VISION

2.1 STRATEGY OF THE RC FOR 2020-2030

2.2 IMPLEMENTATION PLAN TO ACHIEVE THE STRATEGIC GOALS

Appendix 1: Bibliometric indicators of Principal Investigators

PART 3. SELF-ASSESSMENT: NUMERIC EVALUATION

CRITERIA	NUMERIC EVALUATION SCALE 1-6
1. Current research performance	
2. Future potential and renewal
