Exporting favorites lists from UEF-Finna to RefWorks

1. Log in to UEF-Finna.

2. Select Favourites from Your Account menu.

3. If there are more than 20 items on list, switch the number of results per page.

4. Select the items you want to send.

5. Click Export.
6. Select RefWorks from Content Type menu.

7. Click **Send to RefWorks**.

8. Select either new or legacy RefWorks version.

9. Select the project and click **Continue**.

10. When the import is completed, click **OK**.
