

**UEF LAW SCHOOL'S 5TH ANNUAL ENERGY TRANSITIONS –CONFERENCE**

*9 and 10 March 2017 Joensuu, Finland*

UNIVERSITY OF  
EASTERN FINLAND

## UEF LAW SCHOOL'S 5TH ANNUAL ENERGY TRANSITIONS –CONFERENCE

**PROGRAMME****THURSDAY 9 MARCH 2017****8.30 – 9.00 Registration****9.00 Welcome and opening of the keynote session**  
Carelia building, Auditorium C1**9.15 – 12.00 Practitioners' keynote session****Speakers:****Wouter Vandorpe**, Of Counsel, Fieldfisher

Wouter Vandorpe is a lawyer (Of Counsel) in the Energy & Utilities Practice at Fieldfisher LLP Brussels. He advises businesses and authorities primarily on energy law related matters, including renewable energy projects, energy efficiency related issues, cross-border electricity exchange, energy contracts, strategic reserve issues and smart grids. He also advises on specific legal issues in the domains of heating, climate, and waste and water law. He primarily acts before the Belgian Council of State and Constitutional Court, and the European Court of Justice.

**Cameron Kelly**, Legal Counsel, Alcazar Energy

Cameron Kelly is a senior transactional lawyer in the major projects, energy and construction sectors. He has worked in both private practice and in in-house counsel roles globally, and currently is Legal Counsel to Alcazar Energy, one of the Middle East's largest renewable energy project developers.

**Elizabeth Oger-Gross**, Partner, White & Case LLP

Elizabeth Oger-Gross is a partner in White & Case LLP's International Arbitration Group, based in Paris. Her practice focuses on the energy and construction industries. She is both common-law and civil-law qualified and acts in both English and French-language arbitrations. She also has significant experience in investment disputes. She has been involved in arbitrations conducted under the rules of the International Chamber of Commerce (ICC), the American Arbitration Association (AAA/ICDR), the United Nations Commission on International Trade Law (UNCITRAL), and the Swiss Chamber of Commerce. She also has substantial experience in cross-border litigation, particularly involving the U.S. and France.

12.00 – 13.00 Lunch\*

**13.00 – 17.00 Afternoon sessions**

15.00 Coffee\*

17.15 Pre-Dinner Drinks\*

19.00 Dinner\*

\* provided by the UEF Law School for all speakers and chairs

## AFTERNOON SESSIONS 13.00 – 17.00

**Developments in the power sector**

**Chair: Michael LaBelle**, Central European University, Hungary

**Room:** Aurora building, room AU204

‘Smart Energy Technology Governance: Regulating information flows’

**Michael LaBelle**, Central European University, Hungary

‘Rethinking power markets: capacity mechanisms and decarbonisation’

**Laurie van der Burg** and **Shelagh Whitley**, Overseas Development Institute, UK

‘Just how much is enough? Legal boundaries for reliability planning in electricity transmission system’

**Henrik Bjørnebye** and **Julius Rumpf**, University of Oslo, Norway

‘A New Era for Capacity Mechanisms: Reviewing the European Commission’s "Clean Energy for All Europeans" Legislative Package’

**Kaisa Huhta**, UEF Law School, Finland

‘Clean Energy for All Europeans’ – Developing the Role of the Distribution System Operators’

**Kanerva Sunila**, Aalto University, Finland

‘Compatibility of capacity mechanisms with the EU and WTO law’

**Tetyana Payosova**, University of Bern, Switzerland

‘Energy Efficiency and Demand Side Resources in the EU Capacity Remuneration Mechanisms’

**Taner Şahin**, University of Dundee, UK

‘MAR and influence on energy market’

**Ovidiu Joita**, Lawyer, Romania

‘Euratom and the Russian Federation: From Antipathy towards Co-operation’

**Jakub Handrlica**, Charles University in Prague, Czech Republic

'Nuclear waste management in the EU: delimitation of competences and devision of responsibilities'

**Rasa Ptasekaite**, Ministry of the Environment, Sweden; UEF Law School, Finland

## Emerging issues in upstream oil and gas

**Chair: Andrei Belyi**, UEF Law School, Finland

**Room:** Aurora building, room AU100

'Stabilisation and renegotiation of international gas commercialisation arrangements: the Nigerian experience'

**Tade Oyewunmi**, UEF Law School, Finland

'The regulatory rationale of local content requirements in the petroleum industry'

**Berryl Claire Asiago**, UEF Law School, Finland

'The UK's Security of Gas Supply Post Brexit'

**Malin Andreasson**, Gothenburg University, Sweden

'Landowners' Role in Sustainable Shale Gas Development in the EU'

**Meri-Katriina Pyhäranta**, UEF Law School, Finland

'Regulatory collaborative performance in securing cross-border gas supply'

**Huong Hoang**, University of Dundee, UK

'Increasing security of supply with the current natural gas pipeline projects in the Baltic Sea'

**Laura Huomo**, Roschier, Finland

'The current problems in transformation of gas transportation markets in Energy Community's non-EU member-states'

**Mykola Iakovenko**, UEF Law School, Finland

'Default Provisions in Upstream Joint Ventures'

**Eduardo Pereira**, UEF Law School, Finland

## Energy Justice

**Chair: Raphael Heffron**, Queen Mary University of London, UK

**Room:** Aurora building, room AU205

‘The Concept of Energy Justice across the Disciplines’

**Raphael Heffron**, Queen Mary University of London, UK

‘Energy Justice and Carbon Capture and Storage (CCS)’

**Lauren Downes**, Queen Mary University of London, UK

‘Universal access to energy: An emerging right in energy justice? A comparative study’

**Belen Olmos Giupponi**, Liverpool Hope University, UK

‘The Energy Justice Paradox: A Case of Poland and Hungary’

**Brian Howard King**, Central European University, Hungary

‘Renewable Transitions for alleviating Poverty in Developing nations’

**Kalpana Murari**, Researcher, India

‘Embracing more holistic views on energy equity addressing energy poverty: Access, affordability & consumption’

**Tedd Moya Mose**, Queen Mary University of London, UK

‘European Energy Law 2.0 – the way forward?’

**Leonie Reins**, KU Leuven, Belgium

‘Sharing Energy: Dealing with Regulatory Disconnect in Dutch Energy Law’

**Anna Butenko**, University of Amsterdam, The Netherlands

‘Environmental Governance in the KSA in transition’

**Mohammad A. Alomari**, University of Leeds, UK

‘Low carbon energy systems and energy justice’

**Darren McCauley**, University of St. Andrews, UK

**FRIDAY 10 MARCH 2017****10.00 – 12.00 'Aspects of Energy Union' keynote session**

Carelia building, auditorium C1

**Speakers:**

**Henrik Bjørnebye**, Professor, University of Oslo

**Rafael Leal-Arcas**, Professor of European and International Economic Law,  
Queen Mary University of London

**Kim Talus**, Professor of European Economic and Energy Law, UEF Law  
School, Finland

12.00 – 13.00 Lunch\*

**13.00 – 16.45 Afternoon sessions**

14.30 Coffee\*

**16.45 Closing words**

Aurora building, room AU111

17.15 Departure to Koli for a networking weekend (transportation provided by  
the organizers)

\* provided by the UEF Law School for all speakers and chairs

## AFTERNOON SESSIONS 13.00 – 16.45

**Energy Transition trends**

**Chair:** Cameron Kelly, Alcazar Energy

**Room:** Aurora building, room AU205

‘Lost in transition? Energy in South Eastern Europe’

**Ana-Maria Boromisa**, Institute for Development and International Relations, Croatia

‘With energy transition, does military transition follow? A Study of the Russian Arctic’

**Tina Hunter**, University of Aberdeen, UK, and **Slawomir Raszewski**, King's College London, UK

‘The role of the Prosumer in Energy transition in Nigeria; Legal perspective in Focus’

**Erimma Gloria Orié**, National Open University of Nigeria

‘External dimension of the Energy Union: Transition to a low carbon economy’

**Martin Švec**, Masaryk University, Czech Republic

‘Energy Transitions in post-2014 Ukraine: Challenges and Opportunities’

**Daria Shapovalova**, University of Aberdeen, UK

‘Energy security and green energy from the perspective of a developing country’

**Angelica Rutherford**, University of Liverpool, UK

## International Energy Law and Energy Disputes

**Chair: Elizabeth Oger-Gross, White & Case LLP**

**Room:** Aurora building, room AU204

‘‘Model’ International Energy Law’

**Raphael Heffron**, Queen Mary University of London, UK

‘Energy Relationships between Iran and Qatar, and European countries’

**Fatemeh Shayan**, University of Tampere, Finland; Isfahan University, Iran

‘Dead End for Stabilization Clauses? The Effects of the Concession Directive on Investor Protection Mechanisms’

**Catalin Stanescu**, University of Copenhagen, Denmark

‘Challenges to EU Energy Policy under WTO law’

**Dylan Geraets**, KU Leuven, Belgium

‘Global and Regional organizations as energy diplomacy actors: struggling for peace and sustainable development’

**Oksana Grigoreva**, St. Petersburg State University, Russia

‘Protectionism and Prejudice – Energy Trade Principles and Practices of WTO member states’

**Moritz Wüstenberg**, UEF Law School, Finland

## Low carbon energy sources: regulation and policies

**Chair: Wouter Vandorpe**, Of Counsel, Fieldfisher

**Room:** Aurora building, room AU111

‘Examining CCS from Energy Law Theory’

**Lauren Downes**, Queen Mary University of London, UK

‘Renewable Energy Law and Policy in Iran, a Critical Analysis’

**Mohammad Mohsen Masjedi**, Rovira i Virgili University, Spain

‘Political Economy of Renewable Energy Transition and Development in Thailand’

**Kridtiyaporn Wongs**a, Public Policy Studies Institute, Thailand

‘Renewable energy and transition-periphery dynamics in Scotland’

**Fiona Munro**, University of Glasgow, UK

‘Drawing a line between burning waste for energy production and burning waste for disposal’

**Topi Turunen**, UEF Law School, Finland

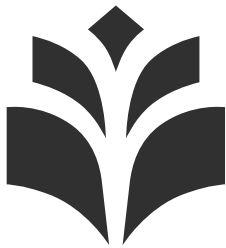

‘Sharing the Burdens and Benefits of the Energy Transition: Lessons from Community Renewables’

**Annalisa Savaresi**, University of Stirling, UK

‘Renewable Energy and Goal Seven of the Sustainable Development Goals: A Perspective from the Ghanaian Renewable Energy Law and Policy’

**Dayann Obeng-Darko**, UEF Law School, Finland

The organizers would also like to invite lawyers, members of the industry, academics, regulators, etc. to join us and follow the event in Joensuu. Thanks to the kind support of Academy of Finland (Impact of shale gas in EU energy law and policy; regulatory and institutional perspective, UEF Law School and EL-TRAN Consortium Transition towards a Resource Efficient and Climate Neutral Energy System, University of Tampere) and Joensuu University Foundation the attendance is free of charge.
